ONE BRUSH TRUCK

CONDITIONS:

1. All bid quotations must be submitted with this specification form.
2. It is the requirement of the bidder to acquaint himself fully with the conditions of the specifications. The failure or omission or any bidder to examine any form, instrument, or document shall in no way relieve him from any obligation of this bid invitation.
3. Bidder shall be responsible for complying with all Federal and State of Texas Safety Standards, Regulations and Laws applicable and effective on the date of acceptance.
4. All materials or parts used in complying with contract are to be new and unused.
5. The County reserves the right to reject any and all bids, to waive defects and formalities in such bids, and to award contract to the bidder which it considers has submitted the most advantageous bid.
6. Parts and components not specifically mentioned in this specifications, but which are required to make units complete and functional, shall be included in this bid as part of equipment to be furnished.
7. Price will be firm unless otherwise stated: _____

DELIVERY REQUIREMENTS:

1. Delivery date: A delivery date is required of each vendor with his proposal at the bid opening. Where multiple items or groups of items are bid a delivery date is required of each item or groups of items. Accurate dates are suggested to avoid compensation assessment.
2. Compensation for delay in delivery shall consist of: It is assumed that each vendor's delivery date will be met as stated in the bid. The County shall establish a ten (10) day, holiday and weekend included, grace period over the stated delivery date. After which a late delivery compensation will be assessed to the vendor in the amount of two-tenths of one percent (10%) per working day up to the amount of the un-delivered equipment and/or not to exceed the amount of Bid Bond held by the County, whichever comes first. The compensation for late or non-delivery will be deducted from vendor's Bid Bond held on file with the County.

ONE BRUSH TRUCK

3. A vendor will not be assessed a late delivery compensation where cause of delay is beyond the control and without the fault or negligence of the vendor, including, but not restricted to Acts of God, or of the public enemy, acts of the owner (County of Webb), fires, floods, hurricanes, epidemics, quarantine restrictions, strikes, energy shortages and freight embargos, further that the vendor shall within seven (7) days from the beginning of grace period, notify the County of vendor's decision and source of action to be taken within three (3) days of termination of the grace period.

INSPECTION:

1. Upon receipt of each unit, inspection will be made to check unit for compliance to the specification of this bid. If a unit is rejected for any reason, the selling dealer shall be required to pickup rejected unit at the point of delivery provide necessary repairs and/or replacement, and return unit in new condition to the original point of delivery. If necessary, repairs can be accomplished on County property, but must be in agreement with the County. **In addition to this bid vendor must pay expenses (travel, meals and lodging for two (2) county individuals to do a pre-inspection of the unit prior to delivery.**

INSTALLATION:

1. Unless indicated to the contrary, items of this specification shall be delivered uncrated, assembled, set in proper place and installed ready for use and free from breakage, blemishes or other defects.
2. The vendor shall be responsible with his carrier for any concealed damage which is found. Before installation, any damaged item shall be replaced or repaired to the new condition of the specifications.
